

Expanded Hours
7:00 a.m. – 3:00 p.m.

Walk in any Wednesday for a screening mammogram. No appointment needed. No hassle involved. No excuse not to.

We know you're busy, and sometimes it's tough to cram even one more appointment onto your calendar. Taking care of yourself, though, shouldn't have to be a scheduling challenge! Just register at admitting at FHN Memorial Hospital and then head to the Imaging Department (right past reception, on the main level) **any Wednesday between 7:00 a.m. and 3:00 p.m.** and you can get your all-digital mammogram almost quicker than it takes to check that important screening off your to-do list.

For more information about Walk-in Wednesdays for Mammograms, call 1-877-6000-FHN (1-877-600-0346) ext. 911 or visit us at www.fhn.org. Whether you can't slow down or just don't want to, we're here for you.

We're here, for you.
