You've received the news you've been waiting for – you can continue your recuperation at home! It is a happy day, but not entirely stress-free.

Our Care Transitions team will help you navigate the path from hospital to home. We are here to provide you with the support you need, to answer your questions, and help you adjust to being back home. Our team's goal is to make this transition as seamless and stress-free as possible for you.

Care Transitions Coach Team

Transition Home with Care and Compassion

Helping you make the transition from hospital to home.

Follow-Up Calls for Ongoing Support

Your health is our priority, and our commitment doesn't end with the home visit. Expect follow-up calls at one week, two weeks, and one month, providing continuous support as you settle back into your home environment.

Collaboration with Primary Care Providers and Specialists

FHN understands the importance of a seamless transition, which is why our nurses work closely with your primary care providers and specialists. This collaboration ensures that you fully comprehend your disease processes and medications, fostering a sense of empowerment and confidence in managing your health.

Open Communication with Healthcare Providers

Have questions or concerns? Our nurses maintain open lines of communication with your healthcare providers, promptly addressing any

questions that may arise during your transition home. Your health is a collaborative effort, and we are here to facilitate the exchange of information for your benefit.

Empowering Transitions, Connecting Communities

At FHN, we go beyond healthcare transitions; we bridge gaps by working hand-in-hand with community agencies and tapping into external resources. Our mission is to ensure your journey is not just smooth but connected to the broader support network around you.

Complimentary Service with a Heart

At FHN, we believe in the power of compassionate care. Our services are offered as a courtesy, with no charges attached. We strive to make your transition home a positive and stress-free experience. For a smooth, safe, and informed journey home, choose FHN – because your well-being is our priority.

Navigating the path from hospital to home can be a delicate journey. At FHN, we are here to provide you with the support you need, making your transition home as seamless and stress-free as possible.

Home Visits within 72 Hours

Our caring nurses prioritize your well-being by offering a complimentary home visit within 72 hours of your discharge from FHN. We cover the 5 surrounding counties, bringing expert care to your doorstep. This personalized touch ensures that your unique needs are addressed in the comfort of your home.
