

## COMMUNITY PROGRAM:

# BLS for Healthcare Professionals

### Course Description

This course is designed to teach healthcare professionals how to perform high-quality CPR individually or as part of a team. BLS skills are applicable to any healthcare setting. This course will enable participants to recognize several life-threatening emergencies, give high-quality chest compressions, deliver appropriate ventilations and provide early use of an AED based on the American Heart Association (AHA) guidelines. This is a hands on learning program to maximize learning for participants.

### Course Content

- High-quality CPR for adults, children and infants
- The AHA Chain of Survival, specifically the BLS components
- Use of an AED
- Effective ventilations using a barrier device
- Importance of teams in multi-rescuer resuscitation and performance as an effective team member during multi-rescuer CPR
- Relief of foreign-body airway obstruction (choking) for adults and infants

### Upcoming Sessions:

Saturday, February 24, 2018 from 8am-12pm

Saturday, April 21, 2018 from 8am-12pm

Wednesday, July 18, 2018 from 4:30pm-8pm

Saturday, October 6, 2018 from 8am-12p

\* All courses will be held on the lower level at FHN Memorial Hospital in the Globe/Deaconess Rooms on the lower level – 1045 W. Stephenson Street in Freeport, IL.

This course is \$40.00 which includes the BLS Provider Manual (contains BLS reference card) and BLS certification card that is valid for 2 years.
