

Right Care. Right Time. Right Place.

- Wellness
- Preventative care
- Pain
- Cold, cough, flu
- Nausea, vomiting, diarrhea
- Fever
- Minor injuries, sprains, cuts

Appointments at an FHN location can often be made within hours of your call.

Hours vary by clinic.

Don't have a primary care provider? Call the FHN Physician Referral Center at 815-599-7060 and you'll have an appointment before you hang up the phone! View FHN Family Practitioners under *Find a Provider* at www.fhn.org.

- Healthcare services after FHN Primary Care office hours, nights, and weekends
- Work-related injuries, exams
- Drug/alcohol testing

No appointment needed. Walk in or schedule ahead at www.physiciansimmediatecare.com/clinic/freeport.

Open seven days a week.

- Chest pain
- Difficulty breathing
- Stroke symptoms (difficulty speaking or swallowing, face drooping, inability to lift one arm)
